

It was a pleasure meeting everyone today. I have made a reservation for our next meeting scheduled from 9:30 a.m. – 11:30 a.m. on 09/20/16 (Tuesday).

Please extend invitations to prospective members and/or other partners that might be instrumental to this council's overall mission. If you have a chance to also review some current developments from current or former workgroups so we use that to springboard us; and as Kristen commented that they may synergize us to a greater outcome.

As we discussed today, our next meeting will be to:

1. Introduce standing and new council members
2. Develop a framework for the council
3. Identify our mission and goals
4. Develop some achievable goals

I hope you all have a great weekend.
